

## **Bob Cole Award**

1

Awarded to the best British car.

This award is selected and presented by Bob Cole, an esteemed member of our Honorary Judges Committee; Co-Founder of the Candy Store and legendary car restorer, racer and collector. Bob has a long standing and deep knowledge of and appreciation for automobiles of British manufacture. The winner shall be the car of British origin which most clearly exemplifies the essence – the spirit – the design and engineering excellence of the British auto world. 2016 will mark the first ever presentation of this award.

## ***Strother MacMinn Design Award***

2

This award, chosen by our Honorary Judges, is presented to the car featuring the most inspirational design elements for a car of its era. The trophy, added in 1998, was designed by students of the Art Center College of Design in Pasadena to honor the memory and many contributions of the man who graced our presence here as an automobile designer, writer, historian, and teacher. Strother MacMinn recorded and celebrated the automotive designs of the previous era. At the same time he was profoundly influential in the contemporary evolution of car design. Strother MacMinn was founder of the Art Center College of Design where his lessons on the art and responsibility of design will live on.

## **Sid Colberg Award**

3

Cyril Posthumus, the prolific automotive author wrote, “A sports car is one in which performance takes precedence over its carrying capacity.” Veteran automobile tester Tom McCahill suggested that a sports car is one designed as an automobile that is basically a piece of sporting equipment. Presented for the first time in 2004, the Sid Colberg Award honors the best sports car from the golden era of “Classic” sports cars (1947 through 1960). The Honorary Judges will select the car that most exemplifies the attribute of exceptional handling and cornering, superior performance and verve; and has extraordinary quality, appearance and style.
