

2021 Perpetual Awards

These special awards were created as tribute to an individual or organization making significant contributions to the Hillsborough Concours d'Elegance. In most cases these awards are selected by a panel of our Honorary Judges. With their varied backgrounds and distinctions, they are uniquely qualified to judge exceptional aesthetic merit.

The Perpetual Awards are permanently on display at Hillsborough Town Hall, at the corner of El Camino Real and Floribunda Avenue. They can be viewed during regular Town Hall hours. The Perpetual Trophies are awarded on Concours Day and then returned to their display after engraving. At the awards ceremony, winners are also presented with elegant keepsake trophies.

Sid Colberg Award

Automotive author Cyril Posthumus, wrote, “A sports car is one in which performance takes precedence over its carrying capacity.” Veteran automobile tester Tom McCahill suggested that a sports car is by design an automobile that is a piece of sporting equipment. Presented first in 2004, the Sid Colberg Award honors the best sports car from the golden era of “Classic” sports cars (1947 through 1960). The Honorary Judges will select the car that most exemplifies the attribute of exceptional handling and cornering, superior performance and verve; and has extraordinary quality, appearance and style.
