

# Notes on Selected 2024 Classes

## American Sports Cars (ASC)

Our American Sports Cars class is reserved for the following marques and models:

- Chevrolet Corvette
- Cunningham
- Ford Thunderbird 1955-57
- Shelby Cobra

## CCCA Approved Classics

Please refer to

<https://new.classiccarclub.org/approved-classics>

for the definitive list of eligible marques and models.

## Preservation Class

The best preservation car or motorcycle is an unrestored and original vehicle which has been properly maintained in good operating condition. It is also a vehicle that is a model year 1987 or older. Vehicles that are seriously deteriorated barn finds or static non-running displays are not normally eligible for preservation judging. Please refer to <http://icjag.org/preservation-judging-guidelines/> for a fuller explanation of selection and judging.

## Special Displays

Special Displays, as the name suggests, bring together a select group of vehicles that illustrate an important element in the history and evolution of motor vehicles. We curate these classes, which are by invitation only. Please contact [registration@hillsboroughconcours.org](mailto:registration@hillsboroughconcours.org) if you wish to have your vehicle considered. To broaden the scope of these displays, by default the vehicles are not judged. These are the Special Displays for 2024:

### **SD2 – Mustang 60<sup>th</sup> Anniversary Celebration**

To mark the 60<sup>th</sup> anniversary of the iconic Ford Mustang we will be hosting a special display of vehicles that exemplify the style and engineering of the classic American sports car across the years.

### **SD3 – Mazda Miata 35<sup>th</sup> Anniversary**

In honor of the now classic roadster we will feature a special display that tracks the history and evolution of the beloved Mazda sports car.

### **SD4 – Modified European Sports Cars through 1987**

A Concours d'Elegance judges classics that are authentic to the very last detail. But many owners of classic cars want to drive them and prefer not to forgo modern mechanical improvements or creature comforts. The committee will select cars with modifications that are true to the character of the model and worthy of display.
